# END OF TERM NEWSLETTER

## APPRECIATION

**Dear Parents,**

With sincerity of heart, we appreciate you for your maximum cooperation and support all through the just concluded Third Term of the 2025/2026 session, which ended on Friday, 18th July, 2026. Thank you for the sacrifices to ensure our students arrived at school on time, for your continued support of the school's programmes, and for partnership with us in the upbringing of our PDIA stars. Thank you again.

## REVIEW OF THE TERM

Unlike previous terms with a full calendar of activities, the just concluded term was a fairly quiet one on the extracurricular front. The major highlight was the Club Exhibition, where our students showcased the skills and projects they have developed through their various school clubs over the session. It was an impressive display of creativity, teamwork and talent, and we commend every student and club patron who put in the work to make it a success. We also thank parents who came around to celebrate their children's achievements on the day.
While the term was lighter on outings and special events, our core academic work continued steadily, and we are pleased with the level of commitment shown by both staff and students in preparing for the close of the session.

## GRADUATION, SPEECH & PRIZE GIVING-DAY

Our graduating class was celebrated at the Graduation, Speech and Prize-Giving Day held on Saturday, 18th July, 2026. It was a proud moment for the school as we honoured the achievements of our graduates and outstanding students across the different classes. We thank all parents and guardians who graced the occasion and continue to wish our graduating stars the very best in their onward academic journey.

## END OF TERM RESULT

Results for the just concluded Third Term will be available for viewing on the school portal, pdia.safsims.com, from 30th July, 2026. In case of any challenge accessing the portal, kindly call: **08067871355**.

## SUMMER CAMP

As the session draws to a close, our PDIA Summer Camp 2026 has been packaged to keep our stars engaged, learning and having fun through the holidays in August. Further details on registration and the programme schedule have been communicated separately. We encourage parents to take advantage of this well-rounded holiday programme for their children.

## SCHOOL FEES

We sincerely appreciate every parent who paid their ward's school fees promptly during the term. Your prompt payment enables us to run the school effectively and continue to meet our obligations to our hardworking staff without delay. Parents who are yet to complete outstanding balances for the term are kindly requested to do so as soon as possible.

Parents/Guardians are also to note that, following careful deliberation and a stakeholder engagement meeting with the Parent-Teacher Association (PTA), the school fees have been reviewed effective First Term of the 2026/2027 academic session, commencing September 2026. This review has become necessary in view of the rising cost of running the school, including facility maintenance and utilities, and the need to sustain competitive staff welfare packages that allow us to retain and continually develop quality teaching and support staff. Every increase is committed towards improved academic quality, staff retention, better facilities, and the overall welfare of our students.

In recognition of the financial commitment many of our families make in enrolling multiple children, the following sibling discount applies on tuition:

- *Family of three children: the 3rd child receives a 20% discount on tuition; the 1st and 2nd children pay full tuition.*
- *Family of four children: the 4th child receives a 40% discount on tuition; the 1st, 2nd, and 3rd children pay full tuition.*
- *Family of five children: the 5th child receives a 60% discount on tuition; the 1st, 2nd, 3rd, and 4th children pay full tuition.*

The reviewed fee schedule for all classes will be available on the school portal, pdia.safsims.com, from 10th August, 2026. We deeply appreciate the trust and partnership you continue to extend to us, and understand that a fee review is a real financial consideration for your family. Please be assured this decision was not taken lightly, and it reflects our unalloyed commitment to providing your children with the quality of education and care they deserve.

## A WORD ON DISCIPLINE AND APPEARANCE

Kindly continue to ensure your child is properly dressed and well groomed whenever they are billed to be on the school premises, in line with the school's uniform, hair, jewellery and general appearance guidelines communicated previously. A well-groomed child carries a confidence that reflects positively both on the home and on the school.

## OUR CONTINUED COMMITMENT

As we close this term and look forward to a new session, we want to assure every parent of our commitment to the continuous rendering of qualitative and result-oriented educational service to your children. We remain dedicated to raising well-rounded, disciplined and academically sound PDIA stars, and we count on your continued partnership as we work towards this shared goal.

Our open-door policy remains very much in force. Please feel free to book an appointment with the School Principal, the Executive Director, or your child/children's teachers should you have any concerns.

We wish every PDIA family a restful holiday and look forward to welcoming our stars back for a new and exciting session.

Comr. Dr. Austen Godstime Emeto
*Principal, PDIA*
